

Call for Abstracts

6th Annual Dayton Engineering Sciences Symposium

October 25, 2010

Abstract Deadline: September 24, 2010

Abstract submission is now open for the 6th Annual Dayton Engineering Sciences Symposium (DESS) at Wright State University. Sponsored by the Dayton Section of ASME, the symposium is designed to facilitate communication between members of the regional technical community, as well as to provide a forum for students, both undergraduate and graduate, and researchers/practitioners to present their work. The symposium program will include several parallel sessions in the morning and afternoon, a luncheon, an industry exhibition, and a Keynote Address. Michael Molnar, member of SME board of directors, technical group leader for ASME manufacturing technical division, and director of environmental policy and sustainable development at Cummins Inc., will give the Keynote address. Presentations are limited to 20 minutes, including time for questions. **No written paper is required.** The Dayton Section of ASME will confer "Best Presentation" awards at the annual Section Awards Banquet in late Spring, 2011.

Abstract Submission: Abstracts are solicited in all areas of engineering science. Specific topic areas are expected to include: Applied Engineering; Biomechanics; Computer Engineering; Controls Science; Design & Optimization; Electronics & Sensors; Engineering Education; Fluid Mechanics; Industrial & Human Factors; Materials & Processing; Nanotechnology; Power, Propulsion, & Energy Systems; Structures & Solid Mechanics; Thermal Sciences; Engineering Innovation; and Undergraduate Design Projects.

Abstracts are limited to 150 words, & must be submitted online through the symposium web site:
